

**Living Life Lovingly and
Healthfully**

GoodNEWS is a collaborative program designed to support individuals and congregations, in their desire to improve the health and life of their community.

GoodNEWS Health Ministry Program

*"A Program of Hope,
Health, and Healing
Conducted in Communities
of Faith"*

**We Can Help
Each Other**

What Kind of Help Can I Get?

The SUMC Health Ministry will conduct a survey annually to assess the health needs of our church congregation so we may plan preventative and physical health programs for you, your family, and our community.

We will also be able to provide referrals to health information and community services based on your feedback.

Our Mission as the Smithfield church family is to make followers of Christ through nurture, outreach, and witness.

Our Goal is to promote wellness and provide physical, emotional, and spiritual care through person-to-person outreach, education, and coordination with community services.

Our Principles

- ✚ Meet regularly with the Health Ministry Committee and support the on-going health and wellness needs of our church family and our community.
- ✚ Serve as a liaison between the members of the congregation, minister, and community agencies when needed.

“May the God who gives you peace make you holy in every way, and keep your whole being, spirit, soul, and body, free from all fault at the coming of our Lord Jesus Christ.”

Thessalonians (5:23)
