

Need a Stephen Minister?

Connecting Care Receivers with Care Givers (Stephen Ministers)

A person, either yourself, a relative, or a friend is hurting and in need of receiving Christian care.

What can you do to help someone else?

1. Ask the person's permission to refer him/her for Stephen Ministry.
2. Contact the Pastor or Stephen Leader
3. The person will be contacted shortly thereafter to discuss the details of Stephen Ministry and whether it's an appropriate option.

What can you do to help yourself?

Contact the Pastor or Stephen Leader to discuss how this ministry works.

Please remember that this is a non-judgmental, confidential, one-to-one Christian ministry. You do not have to bear your burdens alone. There are people who care.

Questions I need to ask...
